Filling up vacant posts by calling EoI and on outsourcing basis

The Executive Director explained the need to fill up vacant posts by calling EoI and outsourcing basis, as the vacancies have arisen due to the closure of contract of employees who had completed 3 years and posts that could not be filled due to non-availability of qualified resources. Approval was sought for filling vacant posts by calling EoI and on outsourcing basis.

Decision:

After detailed discussion, the Chairman suggested the following:

1. The posts viz; M&E Consultant, Regional Consultants of 4 Divisions, Empanelment & Quality Manager/ Coordinator (STP), Project Manager, District Coordinator, Kolar and Software Developer/IT Consultant and IEC consultant to be recruited by calling EoI and also authorized Executive Director, SAST to complete the process of recruitment.
2. Authorized ED, SAST to revise the remuneration based on their PG qualification and experience in the relevant field in order to get good quality resources.
3. The post of Chief Vigilance Officer should be filled on deputation either from the Health & Family Welfare Department or KAS.
4. Authorized ED, SAST to appoint a suitable resource as Legal Advisor on retainership basis.
5. The posts of Manager (HR), Coordinator (Grievance Cell), Claims Manager, MIS Team, Accounts Manager and Accounts Assistant to be filled on outsourced basis.
6. Rework the HR requirement as required for the better management of the integrated scheme and from the perspective that SAST will be a larger organisation

Extension of Services- SAST Contractual Staff

The Executive Director informed the Executive Committee that human resources (Officers/Staffs/Doctors) appointed on contract basis is initially for one year and is extended for further two years sequentially based on performance, which was reviewed by the Performance Appraisal Committee under the chairmanship of the Executive Director, SAST.
The Executive Director informed the committee that the contractual services of 161 employees (List in Annexure 3) that have not completed three years has been extended for another year.

Decision:

After detailed discussion, the Committee ratified the action taken and suggested to hike the remuneration by 5% after completion of one year and 10% for those who have completed two years without any increase previously.

[Action: Director, Operations]

Subject No. 24.10

Extension of Services- SAST Contractual staff, who have completed more than 3 years in SAST

The Executive Director informed the Executive Committee that the Contract Staffs (Officers/Staffs/Doctors) who are initially appointed for a contract period of one Year was extended for one more year based on their performance which was reviewed by the Performance Appraisal Committee of SAST.

The Executive Director also informed that some positions are very critical to the functioning of SAST and could not be left vacant so the term of the incumbents holding these positions was extended even though they had completed three years till replacement staff was appointed after going through the Eol process.

The Executive Director has brought to the notice of the Committee that in view of the closure of Yeshaswini Scheme w.e.f. 1-8-2018, PAC did not renew the Contract of the District Co-ordinators of Yeshaswini Scheme for further period.

Decision:

After detailed discussion, the Committee ratified the action taken.

Subject No. 24.11

Ratification on revision of claims penalty

The Executive Director explained to the Committee that penalty was imposed on Network Hospitals for late submission of claims, as per the decision of the 14th EC meeting held on 20/2/2018. No penalty is being levied under Arogya Karnataka scheme at present.

The Commissioner, H&FWS stated that Government hospitals are audited every year, they must submit claims mandatorily or the 10% incentive can be withheld.
Decision:

The Chairman directed to constitute a Committee with Director, H&FW, Director, Medical Education and an Officer from the Finance Dept and SAST Officers as members under the chairmanship of ED, SAST to study the revision of penalty proposed and place its report before the Trust Board for further decision.

Subject No. 24.12

Approval of claims based on hard copy submission by JSS Hospital.

The Executive Director explained to the Committee that as per Suvarna Arogya Suraksha Trust guidelines under Article 19 & 21 of MoU, Preauths and claims are being settled online of all network hospitals. Sometimes network hospitals do not submit documents online and then submit the hard copy and request for payment.

JSS Hospital, Mysore has provided treatment under Codes-681, 689, 565 and 711 for a patient. Approval was given as per the documents submitted (online) i.e., for Code-689 and 676 (Rs. 30,000/-) accordingly payment was also made. Now they are requesting to make payment for codes-681 and 565 Rs. 48,000/- by submitting hard copy.

Decision:

After detailed discussion, the Committee accorded approval to consider the claims submitted by JSS in hard copy only once. This should not be a precedence and such exemptions will not be acceptable in future.

[Action: Director, MM]

Subject No. 24.13

Incentives to ASHAs under Arogya Karnataka.

The Executive Director explained to the Committee that incentive was being given to ASHAs if they brought in any patient for treatment under VAS scheme. They were paid at Rs. 250/- for every treated case referred by them and an additional Rs. 100/- was paid if the treated patient was a woman and/or member of SC/ST, as per the decision of the 9th EC meeting held on 16/9/2010.

ASHAs are also referring cases under Arogya Karnataka and requesting for incentive, hence approval was sought for continuing incentive to them as in the earlier health schemes.
In response, the Commissioner, H&FWS informed to link this mobilization to the Directorate, as they were providing incentives in other programmes and also opined that incentives should be given to not only treated cases but also to the number of patients brought by them to the camps.

Decision:

After detailed discussions the committee directed to continue the incentives to ASHA workers from SAST and incentivize them not only for treated cases but for mobilization for health camps conducted under the Arogya Karnataka scheme and fix an incentive per person that required treatment under complex secondary and Tertiary care.

Subject No. 24.16

Customization IT application for Integration of Ayushman Bharat

The Executive Director explained to the Committee that customization of the existing application for implementing the integrated Ayushman Bharat with Arogya Karnataka Scheme has to be taken up on priority and in a short time to share the data with GoI.

The Executive Director also brought to the notice of the Committee that the term of M/s HCL Infotech Pvt Ltd. had developed the system and were also maintaining it. Their term came to an end on 30th June 2018. NIC was approached to provide support and customization of the application for the new scheme. NIC declined to maintain and manage the application developed by a third party. M/s Remedin Technologies that actually developed the SAST application and had a back-back contract with M/s HCL Infotech Pvt Ltd, have submitted a financial proposal amounting to Rs.6,90,455/- (exclusive of taxes) for customizing the application to implement the integrated scheme. After negotiations was held with the firm, it has agreed to take up the assignment for Rs. 4,93,182/- (exclusive of taxes).

The Executive Director sought approval of the committee to appoint M/s Remedin Technologies under Single Source Selection (SSS) of KTPP Act, Chapter VII A, Section 28.E(iii) as the customization has to be done quickly and M/s Remedin Technologies was familiar with
the source code and it would take quite some time before a new resource could understand
the source code and work with it.

**Decision**

After detailed discussion, the Committee gave administrative approval for the
customization and directed to constitute a three members expert committee as per the
requirement of KTPP Act 1999 and based on the Committee’s report to go ahead with the
process of appointing the agency through single source selection basis for customization.

**Subject No. 24.17**

**Tender for operation and maintenance of SAST IT System**

The Executive Director also brought to the notice of the Committee that M/s HCL
Infotech Ltd was entrusted to operate and maintain the SAST IT System for a period of 5 years
from the date of “Go-Live”, come to an end on 30th June 2018. SAST had requested National
Informatics Centre (NIC) for maintaining the Application and provide the support for the
application. NIC has replied stating that it would not maintain and manage the application
developed by third party.

The Executive Director also informed that a letter was written to Centre for E-
Governance for maintaining the existing IT infrastructure which is at Karnataka State Data
centre and STPI, Bangalore, but there is no response from CeG in spite of repeated follow up.
The Executive Director explained that the IT System has a vital role and the entire operation
process of the scheme is fully dependent on IT application. It has become very urgent to
appoint hardware and software maintenance. She also informed the committee that STPI has
come forward for hardware maintenance.

**Decision**

After detailed discussion, the Committee accorded administrative approval for the
proposal and directed to constitute a three members expert committee as per the
requirement of KTPP Act 1999 and based on the Committee’s report to go ahead with the
process of appointing the agency through single source selection basis.

The Chairman informed the members of the Executive Committee that the MoU has been signed by the National Health Agency, Government of India for the integrated Ayushman Bharat-Arogya Karnataka to implement in the State in an Assurance Mode and the Government Order will be issued shortly.

The Chairman also opined that the Scheme is to be launched in the State for creating awareness among the stakeholders, public and private empanelled hospitals and also felt that the preparatory activity of the launch requires pre-launch awareness, printing of brochures, standees and preparation of IEC materials.

**Decision:**

**After detailed discussion, the Chairman directed to:**

1. Organize workshops with the empanelled network hospitals both private and government hospitals and other stake holders at headquarters and at division levels.
2. Submit detailed IEC Plan to Government about the integrated scheme.
3. Get a short film made
4. Submit file for launching of the integrated scheme to Government.
5. Regularise the hospitals that are provisionally empanelled under the scheme.
6. Map the RSBY URN number to the AB-Arkid card.
