CIRCULAR

Sub: Regarding registration of hospital under Health Facility Registry -HFR) & Its Doctors/ nurses under Health Professional Registry –HPR.

Ayushman Bharath Digital Mission is a flagship Programme of Government of India launched by Hon'ble Prime Minister of India in September 2021, which aims to develop the backbone necessary to support the integrated digital health infrastructure of the country by leveraging IT & associated technologies and support the existing health systems in a 'citizen-centric' approach.

In this regard it is hereby informed that hospitals seeking organ transplant license or renewal or inclusion of Specialist shall provide details of its registration under Health Facility Register of ABDM and also provide details of its Doctors/ Nurses registered under Health Professional Registry -HPR.

Registration link mentioned below and process flow is shared in Annexure-I.

Ayushman Bharath Health Account (ABHA)	https://healthid.ndhm.gov.in
Healthcare Professionals Registry (HPR)	https://hpr.abdm.gov.in
Health Facility Registry (HFR)	https://facility.ndhm.gov.in

It is also suggested to make your Hospital Management Information System- HMIS software/ application of Electronic health record, ABDM compliant that health data become interoperable across other HMIS.

For technical clarifications, please contact Dr.Arun Kumar D.P Joint Director (IT), ABDM Mb-9449843421 & Dr.Vasanthkumar D E, State Co-ordinator, ABDM, Mb-948043355. For Admin & Implementation clarifications please contact Dr.Prabhudev B Gowda, Joint Director (Admin & Support), ABDM, Mb- 9449843438.

R2p

Registration of HFR to be done immediately and HPR registration to be completed by 15th September 2022 and to be updated in SAST empanelment portal.

AYUSHMAN BHARATH DIGITAL MISSION (ABDM)

ABHA, HFR & HPR WORK FLOW

Ayushman Bharath Digital Mission is a flagship Programme of Government of India launched by Hon'ble Prime Minister of India in September 2021, Which aims to develop the backbone necessary to support the integrated digital health Infrastructure of the country, by leveraging IT & associated technologies and support the existing health systems in a 'citizen-centric' approach.

ABDM has Three Components 1. ABHA –Ayushman Bharath Health Account 2. HPR – Health Professional Registry 3. HFR – Health Facility Registry

The process flow to create all the three is as follows

1) ABHA –Ayushman Bharath Health Account

- Unique 14 Digit Health ID card for all citizens of India
- ABHA cards helps in creating Longitudinal Health record of each individual.
- ABHA card can be utilised at all health institution for basic registration and to avail services.

Procedure for Generating ABHA Cards

Prerequisites for Generating ABHA (Aadhar Card Number and its linked Mobile Number)

Step 1: Open URL <https://healthid.abdm.gov.in>

Step 2: Click on Create ABHA Card

Step 3: Enter Aadhar Card Number and submit

Step 4: Enter OTP received to Aadhar Mobile Number

Step 5: Details from aadhar will be fetched and displayed

Step 6: Enter Mobile number and submit

Step 7: ABHA Card number (14 Digit Unique Number) will be displayed.

2) HPR – Health Professional Registry

- All Health Care Providers (Doctors, Staff Nurse) can register and declare themselves as Health care professional in the national registry of Health Professionals
- Public can find health providers nearest to them to avail the services
- Health Professional will also be given with 14 Digit Unique ID

Procedure for Health Professional Registry

Prerequisites for Generating HPR ID [Aadhar Card Number and its linked Mobile Number, Degree Certificates, Council Certificates, Work orders (only Govt)]

Step 1: Open URL <https://hpr.abdm.gov.in>

Step 2: Click on Registration link

Step 3: Enter Aadhar Card Number and submit

Step 4: Enter OTP received to Aadhar Mobile Number

Step 5: Details from aadhar will be fetched and displayed

Step 6: Select Cadre wise category (Doctor / staff nurse)

Step 7: Select Subcategory (Modern Medicine, Unani, Homeopathy, siddha)

Step 8: enter user specific HPR address and submit.

Step 9: HPR ID is created successfully.

The Created HPR ID is not verified, to Verify they need to upload Basic Demographic Details, Registration & academic Details and work Details and Submit. Council will verify.

3) HFR – Health Facility Registry

- All Health Facility (Govt & Private) institution can register, declare their facility and be enlisted.
- Facility type which can be Registered are District Hospital, Taluk General Hospital, Community Health Centre, Primary Health Centre and Health and wellness centre(Govt), were as private -Clinics, Dispensary, Nursing Home, Scanning Centres, Labs.

Procedure for Health Facility Registry

Prerequisites for creating HPR, Existing HPR ID or new registration [Aadhar Card Number and its linked Mobile Number, Health Facility Photo, Health Facility board, Electric city bill/land record and basic facility details]

Step 1: Open URL <https://facility.abdm.gov.in>

Step 2: Login in with Existing HPR ID

Step 3: Choose Facility Manager Option

Step 4: Choose Add new facility and upload the facility demographic details, services available details, Timings details, Institution infrastructure details and then submit with consent.

Step 5: The submitted application will be verified by DHO office team.
